**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to move away from AT&T because a new fiber offering gave me faster service at a lower price. When I called AT&T to see if they could match it, they said they had nothing comparable. Losing access to these new companies would be bad for consumers, taking away better services and more competition in the market place. The service that AT&T gave me was never enough for me and my family who rely on the internet everyday, but we're very happy with our new fiber provider.
